Program Goal: Our goal is to help you and your family take your tennis game to the next level, build friendships, get a great workout and have fun in the process.

Players are grouped by ability levels and range from beginners to novice players who have some private instruction. These players will be working on the ability to sustain a rally and consistently get their serves in. Emphasis will be on the development of proper fundamentals, learning how to keep score, basic rules, playing games that increase a player's court awareness and having fun!

Level 3: Player's Club (ages 7-16) (1 credit)
